Volunteer Registration

Thank you for deciding to register as a volunteer.

The Volunteer Centre helps match prospective volunteers to opportunities currently available within voluntary organisations. To find out more about the type of volunteering you're interested in we'd be grateful if you would complete the enclosed form as fully as possible. We will hold your information confidentially.

Once we've reviewed the registration form, we'll search for suitable opportunities and discuss them with you. If you wish to progress your interest in an opportunity, we'll ask the voluntary organisation to contact you using the details you have provided (or you may wish to contact them direct).

Once introduced, the voluntary organisation will carry out its own volunteer recruitment process. We will contact you from time to time to find out how you're getting on and we're also available to offer any advice or support once you've started in your new volunteering role.

Some organisations require volunteers to have a criminal record check completed which they will organise. This is often the case if the volunteering involves working with children or vulnerable persons. No criminal record checks will be made without your consent or before you have been accepted as a volunteer for an organisation requiring such a check to be made.

We're looking forward to finding you a rewarding and enjoyable opportunity and we're on hand to offer advice or assistance now or in the future.

Happy Volunteering!
